

MAINTENANCE TECHNICIAN - FULL TIME POSITION

K&H Facility Services, LLC is looking for a Facility Technician with good HVAC skills and an excellent work ethic. This is a full-time position, working 12:30 pm to 9:00 pm, Monday through Thursday and 8:30 am to 5:00 pm on Fridays at a Downtown Spokane Office Building. Along with repair skills with HVAC equipment, plumbing and general repairs, you must demonstrate great relational skills, a self-starter, and able to work independently without on-site direction. Candidate must possess good decision making and troubleshooting skills. May manage multiple projects and competing deadlines; takes work direction from multiple sources. Comfortable using various technology devices and an online smart phone applications for a work order system and timecard.

Our company prides itself on providing our customers with great service. Job includes occasional after-hours calls.

2 years prior commercial building maintenance experience or AA degree in HVAC/R or graduate of an HVAC/R program preferred.

After a conditional offer is made, we do conduct a drug screen and run a driving record and background check.

Competitive pay, benefits - 401(k), 2 weeks' vacation, nine paid holidays, sick pay, health insurance, and uniforms provided. Dependable transportation is needed with this position and must be an acceptable driver according to our company insurance carrier. Provide own hand tools.
